CIRCLE OF LIGHTS

Those of us at The Tuomey Foundation are deeply grateful for the many ways in which Tuomey's Hospice program supports families facing a terminal illness. During this season of giving, it is our hope to raise awareness and contributions for a program that means so much to those who want to face their final days with dignity, surrounded by those they love.

I hope you will join us in ensuring Hospice is able to continue to provide a level of care that makes a real difference in the lives of our friends and neighbors. Thank you for all that you do for The Tuomey Foundation to make a difference for the healthcare of our community.

Happy Holidays,

Maj. Gen. (Ret.) Thomas R. Olsen
Chairman, Board of Governors

CIRCLE OF LIGHTS

is a part of

The Tuomey Foundation's annual
FESTIVAL OF TREES celebration.

HOSPICE SERVICES at Tuomey offers compassionate care and support that allows patients to remain in their home, surrounded by loving family and friends. Your support of this vital program through the Circle of Lights helps Hospice provide:

Medical care to families who have no medical insurance or who have exhausted their coverage.

Educational materials, supplies, and support services for families dealing with a terminal illness.

A Bereavement Resource Center, which makes available materials to help families deal with illness, death and grief.

The annual *Sail Into Hope* bereavement workshop for families.

DR. PERRY DAVIS

served as the medical director of Hospice Services at Tuomey for more than two decades. His dedication to our patients and their families, and the comfort and support he provided during this difficult time in their lives have been an inspiration to everyone familiar with Hospice. Dr. Davis believed in the power of Hospice to help families measure days in memories, not regret. The Tuomey Foundation and Hospice Services are honored to dedicate the Circle of Lights celebration to the memory of Dr. Perry Davis.
