allows patients to spend their final days with dignity, receiving the comfort and care they need and surrounded by loved ones. Palmetto Health Tuomey’s Hospice program also provides family members the support they need during this difficult time, and a respite from the daily care routine. Paired with all the resources available through Palmetto Health Tuomey, it’s a combination we believe can make all the difference.

Please join the 2017 Festival of Trees and make a difference in the lives of Hospice patients and their family members, while showcasing your organization as a compassionate citizen who cares about the quality of healthcare in this community.

More important even than the beauty of the Festival of Trees, though, is its beneficiary - Palmetto Health Tuomey Hospice Services. Funds raised through these sponsorships are used to enhance this incredible program. Hospice

Festival of Trees has raised over $775,000 for Tuomey Hospice Services over the past fourteen years.

CHRISTMAS TREE INFORMATION:
Title of Tree (Optional): ________________________________
HELPFUL FACTS:
- Tree is 7-1/2 feet tall.
- Trees may be decorated November 27th-December 1st.
- You are responsible for covering the bottom of your tree. All trees have connected stands.
- The Tuomey Foundation will provide you with up to 500 white lights. However, you may choose to use your own small lights for more creative freedom. All lights must be UL approved.
- Additional information will be mailed to you prior to the festival opening.

Decorators participating in the Festival of Trees sponsored by The Tuomey Foundation should be in accordance with the philosophy of the Foundation and the Festival of Trees holiday celebration. Themes should be relevant to the holiday season and support Judeo-Christian traditions. Trees may represent brand identity of the sponsor, but without commercial intent. We also request that decorators avoid political or social issues that distract from the holiday spirit. Due to growing interest in the Festival of Trees and limited display areas, trees will be assigned on a first-come, first-serve basis.
